Dear [redacted]

25X1

In his letter of 30 September 1981 to [redacted] 25X1
Chairman, Human Resources Committee, advised him of FOCUS [redacted] and invited 25X1
his contributions to it. I am pleased now to forward the final FOCUS report
for your information and use. It reflects the judgment of the Intelligence
Community that the Mission is accomplishing its various and difficult
reporting responsibilities in a creditable manner. At the same time, it notes
areas which appeared to merit increased reporting emphasis by the Mission.

In addition to the FOCUS Review, a National HUMINT Collection Plan on
[redacted] is in process and will be forwarded to you when completed. The 25X1
Collection Plan will provide you with a complete and coordinated statement of
national information needs on [redacted] associated priorities, and the agency 25X1
responsible for reporting on each.

FOCUS [redacted] has been helpful to us here. I hope that it will assist you 25X1
in directing and coordinating Mission elements in their reporting programs. I
also welcome your comments on the Review. If you see any way in which the
Intelligence Community can increase its support to you, please let me know.

Sincerely,

[redacted]

25X1

B. R. Inman
Admiral, U.S. Navy
